

AG 5600 End Of Sale (EOS) Product Notice

October 4, 2012

Dear Nomadix Customer

This letter is to inform you that Nomadix is announcing the End of Sale (EOS) for the AG 5600 Access Gateway.

The AG 5600 will continue to be supported to include access to software upgrades and software licenses and premium support services.

Please submit your future gateway orders for the next generation gateway model, AG 5800. The AG 5800 includes the proven NSE Software and offers scalable user count from 250 to 4000 users and is designed for high through-put performance. For more product details please visit our website at www.nomadix.com

For Channel Partner access to this notice and all other Partner Sales Tools, please login to our website Partner Extranet at:
